Catholic Engaged Encounter (CEE) is a weekend, specifically focused on drawing engaged couples closer together. It provides couples with an opportunity to gain the social tools and techniques that will help their marriage succeed. Participants will identify and discuss several important topics (ranging from unity, careers, children, finances, sexuality, faith, prayer, forgiveness, decisions, communication, sacrament, and conflict resolution) with their fiancé to prepare for a healthy, Christ-centered marriage. CCE uses a tried and true method that has been successful for over 30 years and gained approval from the Vatican and hundreds of dioceses throughout the world. The Engaged Encounter weekend offers a deeper connection with one's fiancé while considering the unique needs of each couple.
