

"New Nursery Reservation Phone Hotline (720) 842-4103"

Effective 07/28/08:

Childcare in the parish will be provided by reservation only (except Saturday and Sunday Masses). Reservations will only be accepted for church events, which have been booked and confirmed on the parish's schedule/calendar and on a first come, first serve basis.

Children will no longer be permitted to be "dropped off" without a prior reservation.

Parish policies and procedures and related materials may be picked up at the Nursery or from the parish's Coordinator of Volunteers, Camille Lynn.

Please make your reservations by contacting the Nursery Reservations Hotline at 720-842-4103".
